

Year 2 Homework - 14.12.18

Name:

Maths: Time Tables

Reading

Focus on the 10 times table for a test next week.

Please make sure you are reading for 20 minutes **at least** three times a week. Discuss what you are reading with an adult or older sibling at home.

This week we are practising the ten times table. We need to recall these facts quickly in lots of different ways. Don't just learn to chant: 10, 20, 30, 40, 50, 60, 70, 80, 90, 100...

What are you enjoying about the book? Are there any tricky words? Do you have any questions about the story?

Instead, practise things like...

30 divided by 10 = ____

7 lots of 10 is ____

Discovery

Grammar

This half term our topic is **People from the Past!**

Tick the word that can have the prefix **un-**.

We are learning about musicians!

____bright

Practice making your own musical composition using body percussion for a Beatles song of your choice!

____good

____happy

____sad

Can you think of another?!
