

Year 3 Homework Week Beginning 14.1.19

Name:

Maths Time Tables

Reading

Focus on the 11 times table for a test next week.

This week we are practising the six times table. We need to recall these facts quickly in lots of different ways. Don't just learn to chant: 6, 12, 18, 24...

Instead, practise things like...

12 lots of 6 are...

36 divided by 6 is...

How many 6s are there in 60?

Please make sure you are reading for 20 minutes at least three times a week. Discuss what you are reading with an adult or older sibling at home.

What are you enjoying about the book? Are there any tricky words? Do you have any questions about the story?

Discovery

Grammar

This half term we are learning about the topic:

**Discoverers and Explorers**

As most of our explorers travelled by ship, we want you to create and build your very own ship fit for exploring the world!

Be as adventurous as you can with the materials you use and make sure it can survive on water.

There are 7 errors in the passage below. Rewrite the sentences correctly.

Jonny fought that it would Be a good idea to ate a whole bar of chocolate all at once but he di'dnt think that it would make him feel so sik! Silly jonny, he won't be doing that again
