

Year 5 Homework Week Beginning: 7.1.19

Name:

Maths Time Tables

Reading

Focus on the 11 times table for a test next week.
This week we are practising the eleven times table. We need to recall these facts quickly in lots of different ways. Don't just learn to chant: 11, 22, 33, 44, 55, 66, 77, 88, 99, 110, 121!
Instead, practise things like...
There are ____ groups of 11 in 110
77 divided by 11 is ____.
11 multiplied by 10 is __, so 110 divided by 10 is ____.

Please make sure you are reading for 20 minutes at least three times a week. Discuss what you are reading with an adult or older sibling at home.

What are you enjoying about the book? Are there any tricky words? Do you have any questions about the story?

Discovery

Grammar

This half-term we are learning about Mars and Space. The Topic's title is 'Mission Mars'. Can you find out 5 facts about Mars and/or a planet you are interested in?

1. _____
2. _____
3. _____
4. _____
5. _____

Insert apostrophes in the correct place.

1. Mrs Mujamders car is black.
Apostrophes are needed because _____
_____.
2. I cant find my homework!
Apostrophes are needed here because _____

_____.
