

Year 3 Homework Week Beginning 04.03.19

Name:

### Maths Time Tables

### Reading

Focus on the 4 times table for a test next week.

This week we are practising the FOUR times table. We need to recall these facts quickly in lots of different ways. Don't just learn to chant: 4, 8, 12, 16.....

Use the six times table to help you with different questions

If  $4 \times 9 = 36$  then  $40 \times 9 =$

If  $11 \times 4 = 44$  then what is  $110 \times 4 =$

Please make sure you are reading for 20 minutes at least three times a week. Discuss what you are reading with an adult or older sibling at home.

What are you enjoying about the book? Are there any tricky words? Do you have any questions about the story?

### Discovery

### Grammar

This half term we are learning about the topic:

What's on the menu?

Research a famous chef and their restaurant.

Find out what they are famous for and what type of food they are famous for?

Can you make a food diary of what you have eaten over half term, also where the food comes from? Can you do the rainbow challenge?

Felix used to live in France but he \_\_\_\_\_ next to me for two years now.

lived

used to live

has lived

had lived
